

WELL STICK

NOVEL STICK
FORMULATION
FIRST TIME IN WORLD

Use of well stick

- Well stick is a safe & effective Ayurvedic formulation and is indicated for the management of inflammation & pain like discogenic back **pain**, joint pain, musculoskeletal pain and arthritis
- Relieves of muscle **strains** and muscle sprains, **bruises**, cramps
- Well stick is a one step to get relief from pain
- Headache relief sticks to get relief from severe headache.

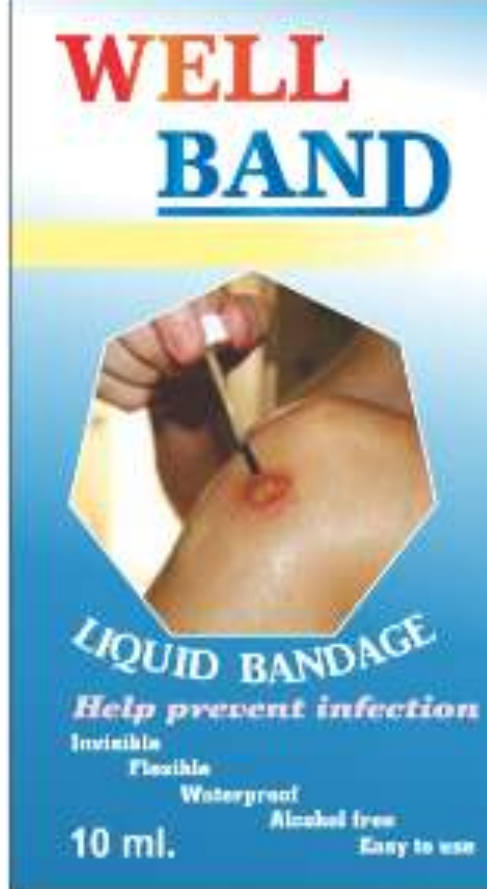

WELL STICK

- Easy to **carry** anywhere and easy to **Apply**.
- Cause no **irritation** to eyes

WELL BAND

- NOVEL LIQUID BANDAGE FORMULATION
- BURN FREE
- ALCOHOL FREE

Forget sticky stuff, go liquid

WELL BAND

- Protects cuts from dirt and other **germs**
- Seals the area which will prevent the skin from being "rubbed" open during daily activities, it is **flexible**,
- Well band include an **antiseptic**, so you do not have to worry about using other creams to prevent infections
- Well band provide an added **pain reliever** to sooth a painful cut

WELL BAND

- Completely **water-proof**, meaning that they are a much better option if you are planning to swim, or be around water in general
- Allows you to continue your regular daily activities without the worry of replacing a bandage, or having to deal with the visual appearance of wearing one
- **Breathable**, so the seal will still allow the cut to heal
